

VAT Exemption Form

The cost of the Just Checking equipment and service is exempt of VAT for those who are chronically sick or disabled. Alzheimer's disease and other forms of dementia are included in this definition.

A declaration has to be made when you make the purchase. If you are a carer you can make the declaration on behalf of someone with dementia if they are unable to make the declaration for themselves.

I declare that I am an eligible person under paragraph 3.2 of VAT Notice 701/7, because of dementia and claim relief from VAT on the Just Checking system and service.

Full name

Of (address)

.....

.....

Signature
(or signature of carer if making the declaration on behalf of someone else)

Capacity if making the declaration on behalf of someone else
